

If your club has a Walmart Vision Center that is convenient to your service area then you might consider establishing an account with BridgeMart to make providing targeted services to your recipients easier and more cost effective. Even eye exams can be funded through the BridgeMart card – if that’s what your club wants to do. That’s what the Granville Lions do.

All Walmart stores in and near Vermont borders (Except Plattsburg, NY) have contracted with BridgeMart to manage their pre-paid accounts. These are also called "Walmart Restricted Purchase Cards". The Club sends in funds and pays a 9% administrative fee. The Club receives that amount of credit funds for use at Walmart Vision Centers. The Club designates a recipient online and restrictions they want to apply. BridgeMart sends your designated recipient a card in the amount you designate, for the services you designate. When clients go for glasses the fee is deducted from the card. *“It seems to me that usually Walmart has good prices compared to other vision centers. Walmart is where my family and I get glasses.” - Jim Peterson Granville Lions 4/13/18*

VLC has opened an account because Walmart Vision centers can't accept our VLC vouchers. They insist on a check with a driver's license. VLC and many clubs near a vision center this might simply be easier and save us funds. Here are the restrictions VLC has placed on their BridgeMart cards:

**Prescription Eyewear Card**

<b>Card Amount</b> 100.00 <small>apply to all</small>	<b>Employee / Member</b> <input type="text"/>	<b>Email Address</b> sight@vermontlions.org <small>apply to all</small>	<b>Purchase Destination</b> Walmart/Sam's <small>apply to all</small>
---	--	---	---

**Purchase Instructions** set as default

This purchase for basic optical (prescribed) needs only. No customization beyond basic need is authorized. Best value frames only. Progressive lenses are authorized where appropriate. User is responsible for all costs over the allowance.

Where is BridgeMart accepted? There are 3 Walmart Vision Centers currently in VT: Williston, Bennington and Derby. There’s one In Queensbury, NY (the one Granville Lions use). In NH there are two near the VT border in Hinsdale, and Claremont.
