Thoughts from the District Governor,

As I sit here, I am reviewing the last two July Communiques to try and come up with an inspirational opening remark. Instead, I think I will just say “Thank you” to all the past district governors who have come before me. Thank you for bringing our district to where it is today. Yes, we’ve lost clubs, but we have created some new and more vibrant ones too. Membership has dropped, but we have enlisted new members who are committed to the work we all do to grow and improve our communities, protect our children, and provide service wherever the need may be. By using the commitment and ingenuity of our experienced Lions and enlisting the excitement and freshness of the new, younger membership, our PDGs have worked very hard and succeeded in setting the stage to establish a district of Lions that will pull together and work together to make our District one of the strongest and most effective in our region.

With that said, I promise to work with our clubs to continue increasing membership and establishing new and innovative clubs. The goal of 1.5 million members by July 1, 2027, is not impossible. With over 200 countries and thousands of clubs worldwide, and with District 45 poised to have a super year, I am convinced we can meet that challenge and even surpass it.

I have been a Lion for almost 30 years. I joined with the encouragement and “gentle persuasion” of PDG Ken Milay. It was one of the best decisions I have ever made. With my father a victim of macular degeneration, it seemed that Lions was the perfect fit for me to serve my community while honoring my dad in the most loving way. And so, with PDG Ken as my sponsor I joined Lions in December of 1995. In 2000, after serving on committees together with PCST Bruce and finding we both had a deep and committed relationship with Lions, we made our own commitment and were married on May 20, 2000, at the late PDG Clem Cardinal’s Spring convention. When people talk to me about being a committed Lion, they have no idea just how committed I am to this wonderful organization.

So, I look forward to serving this year as your District Governor with the commitment and pride I have served with for the past 29 years. I want you all to feel free to contact me by using my email [tallships53@gmail.com](mailto:tallships53@gmail.com) if you have questions, concerns or simply need to run a thought or two my way. I do not promise to have all the answers, but I do promise to answer your emails as quickly as possible and find answers if I can.

Thank you for supporting me and for serving District 45.

Yours in kindness and gratitude,

*District Governor Debra (Del) Savery*

100 hygiene kits were made and donated to the Day Station

In these kits were:

- 1x shampoo

The service project was assisted by members of Zone 1B as well as 2 non-Lion guests

In total it took us 15 minutes to pack these 100 bags and we plan on packing 225 more at our business meeting on June 12 if anyone is interested in assisting.

## Arlington Lions

Our club keeps growing with amazing people, and we are being recognized for the work we do! The new member induction ceremony was a fun evening for all. Most exciting, at the recent state convention, Jeanne McDermott received the District Service Award, presented by District Governor Travis Wood. Congratulations Jeanne, we are so proud! And, Arlington Lions were named Vermont Club of the Year! Thank you, Arlington, for your support of the Lions!

## Heartland Lions

Heartland Lions held their first pancake breakfast, with funds raised toward the handicapped swings for the towns of Royalton, Sharon & Tunbridge. It was a success and likely to take place again. Thanks to all for their support!

## Windsor Lions

Windsor Lions hosted a food drive at Price Chopper in Windsor, VT for their local food pantry – it was a great day!

These donations made a real impact on the lives of others.

Congratulations to DG Deb Savery and the rest of New England District Governors on the completion of their training in Melbourne.

“

What does it mean to Make Your Mark? It means stepping up in our clubs and our communities and changing lives. It means amplifying the voices that may go unheard. It means showing the world that Lions care and we are here to stay.

# Where there's a need, there's a Leo

"Leadership, Experience, Opportunity." That's what makes a Leo. Members of Leo clubs embody the best qualities of our incredible organization. They are devoted young people who realize the power of action. Together, Leos and Lions form a powerful partnership — one of mutual respect where Lions learn from the innovative insights of Leos, and where Leos gain access to the proven strategies of those who've successfully served the world for decades.

The Leo Clubs in District 45 recently gathered on Sunday, June 9th which was hosted by the Vergennes LEOS.

The agenda included:

**Who: All LEO CLUBS in District 45**

**Where: American Legion Post # 14, 100 Armory Lane, Vergennes, Vermont**

**When: Sunday, June 9th from 12:00 noon-4:00 pm**

# MIDDLEBURY LIONS CLUB STRIDERS; SIX YEARS OF WIFFLEBALL

By Lion Jesse Gillette

In the eight years I have been a Lion, it's never ceased to amaze me just how creative and diverse events are in our D45 community. Whether it be a cornhole tournament, a duck race, or a bike tour, Lions have proven that more can be done aside from the common food drive or 50/50 raffle, and that fun may be had while providing service for others. In 2018 when SLAM T1D spoke to our club about participating in a wiffleball tournament, it seemed only fitting that us Lions would participate. Here we are in 2024, with Middlebury Lions Club Striders approaching our 6<sup>th</sup> tournament with the organization.

For those that might not know, SLAM T1D is a nonprofit organization supporting people living with Type 1 Diabetes (T1D). They aim to empower all kids, families, and adults affected by the disease to live life in full. Broadening awareness, educating others, and advocating for the T1D community are paramount to their mission. Being a reoccurring member of this annual tournament, our team has come to not only understand these values but share in them too. Though not all our players are members of the Middlebury Lions Club, all our players are out in our communities, under the Lions logo, fundraising for this cause and spreading awareness on behalf of the T1D community. I have come to realize, as best as one can without T1D, the challenges, risks, and expenses associated with the disease. It continues to blow me away how much my teammates and I have learned, shared, and fundraised; How much we've become a part of the SLAM T1D family; How much we've come to look forward to playing, to serving.

Though we have not yet won the trophy, the tournament for us has been nothing but a success. We have continually had exciting games, delightful team comradery, and heart-felt support from so many individuals and groups, most of which are in our D45 community! (Special shout-out to Lion Jackie Dutil a.k.a. "Team Mom" and #1 fan, Middlebury Lions Club, Brandon Lions Club, District 45, and Vermont Lions Charities) I cannot thank you all enough, really. But if you come to watch us play this year, I will certainly do my best!

So, if you find yourself looking for a fun weekend activity, put on your Lions apparel and come watch us play, August 9<sup>th</sup> – 11<sup>th</sup>, at the "Little Fenway" site, at 17 Sawmill Rd, Essex Junction, VT. You might just see us take that trophy this year!

I welcome any questions too. Below is our team infographic, with last year's stats, and the smiling faces of us Lions Club Striders. Here's to another year of service, of fun!
