## A Message from District Governor Pam Nichols

Wow! We had a great spring convention, such a great lions weekend! If you were not there we missed you! You definitely missed a great time. Elections were held and DGE Joe Wilson, 1stDGE Walter Hastings, and 2nd DGE Liz Fenick are getting ready to take the reigns. Keep in mind I still have two months to go. Have an event? Call me. One of us should be able to show up and make it happen!!!

MEMBERSHIP. There is still time for each club to be at a plus one. Please ask someone. Many hands make light work !!! So just ask, show how much you love being a lion, they will feel it and join !!!

We have finally sent the charter in for the new Londonderry Tri-Mountain Lions Club. The Charter will take place on June 19th. 1 pm for lunch. We will send each club the details. Very exciting news!

So proud and honored to be your DG. So sorry I can't do it again. Thanks for the great ride hahaha no pun intended BRoom anyone ?

Yours in service,

Pam

# Opening Eyes at Special Olympics

Dear Fellow Vermont Lions of District 45,

On behalf of PDG Betsy MaGee of the Essex Junction Lions Club and myself, want to bring your attention to a special program that is getting a 'restart' here in Vermont: Opening Eyes at Special Olympics.

I know this was a special program that was previously led by Lion Rusty Bernal of the Norwich Lions Club (thanks Lion Rusty) that somewhat stopped. Dr. Dorothy Brodmann, former member of the Lamoille Valley Lion Club and Burlington Lions Club has taken the lead on restarting this program and is looking for help from all Vermont Lions.

The following is her message. The date is Saturday June 4<sup>th</sup>. If you are able to help or would like more information, please contact PDG Betsy at 802-578-8188 or [lionbetsy2000@yahoo.com](mailto:lionbetsy2000@yahoo.com) or myself at 802-578-7483 or [kpemery1960@gmail.com](mailto:kpemery1960@gmail.com)

In Lionism,

IPDG Ken Emery

*Dear Lions Clubs*

*As you know, the AOA has taken an affirmative role in promoting quality eye care for the people with intellectual disability. Special Olympics International's vision program "Opening Eyes" is a comprehensive vision and eye health program put on by Special Olympics in conjunction with the AOA.*

*The mission of "Special Olympic Opening Eyes" Vision and Eye Health Program is to provide quality eye health care to Special Olympic athletes, assess the integrity of the athlete's visual system as well as visual acuity, to prescribe and dispense appropriate prescription and safety eye wear, to educate the athletes, parents, coaches and doctors about the importance of the visual system for sports, education and vocational performance, and to gather and publish data regarding vision, visual skills and eye health of the Special Olympic population. It is our goal to eventually have a screening at every state games around the country.*

*The screenings consist of visual acuities, color vision, retinoscopy, ophthalmoscopy, color vision, depth perception, cover test, motilities, biomicroscopy, tonometry, and auto refraction. Any athlete failing the screening is then given a complete eye exam on site, and prescriptions for regular and sport goggles are then fabricated and given free to the athletes.*

*The Special Olympics Lions Clubs International Opening Eyes screenings are an invaluable learning and growing experience. Not only will it give lions a unique opportunity to examine hundreds of patients, but it will permanently alter their views and attitudes towards people with intellectual disability. We hope to have as many volunteers as possible. Every volunteer who has participated in the past screenings have felt it to be a rewarding experience.*

*We would like to inform you that the next vision screening will be taking place at UVM June 4<sup>th</sup> 2016 from 9:30am to 3pm. We want to thank you for your cooperation in making the "Special Olympics Lions Clubs International Opening Eyes" Vision program for athletes with intellectual disability a success.*

Sincerely

Dr. Dorothy Brodmann

# **Relay for Life - Team Jeremy**

Dear Fellow Lions,

As we shared at the March 31 Zone 1A/1B meeting, we are happy to be back in the Colchester Lions Club. Sadly, as many of you may already know, in the time since we were previously Lions, our family suffered a tremendous tragedy. Our son/brother, Jeremy, died very suddenly and unexpectedly on January 2, 2015. A blood clot stopped his loving, caring heart. It was discovered after he died that there was cancer in his body. He was a very healthy and happy person right up until the very end. Jeremy was the kind of person who always put others first. He truly loved being a Lion. He lived every second of his life to the fullest, and because of this, we have rallied around the phrase "Embrace the 22" since he truly embraced his 22 years of life.

In honor of Jeremy, we have formed a team for the Relay for Life, Team Jeremy. We will be participating in the Chittenden County event on June 17 & 18 at the Champlain Valley Exposition in Essex Junction. It begins at 6:00pm. We welcome any Lions who would like to come walk with us. The link to register is below.

Team Jeremy is also hosting a Calcutta on June 12, at the Sugarhouse Bar & Grill in South Burlington to raise money for Relay for Life. We have attached the flyer for the Calcutta below with all the information.

We are determined to make Jeremy proud and raise as much money as possible. We would truly appreciate any contributions of any amount.

Thank you so much,

## **Vision Screening Equipment Available**

The consortium of the Arlington, Bennington and NorShaft clubs have completed screening all available children in our area – 2,902 children at 29 sites!

The equipment is now available to move on to another club. If your club is interested in taking on this project, please contact Phylis Porio @ 802-442-0380 or [norshaftlions@aol.com](mailto:norshaftlions@aol.com).

We'll be happy to come train your club.

It's been a great experience with some wonderful feedback from very appreciative parents. Every club should consider taking on a Vision Screening Project for their area.

# Heartland Lions Club

The Heartland Lions Club welcome three (3) new members last month: Lion Greg Parker, Lion Darlene Royce and Lion Bonnie Parker. Of course, Sir Charles had to be in the photo. Sir Charles is staying with the Heartland Club for the summer. We had visitors from the Springfield Club come to adopt him (we don't like to talk about capture in front of him) – and it was determined it was after the Traveling Lion Contest ended and that he would stay with Heartland for the summer. Here is another picture of Sir Charles enjoying his visit relaxing. He'll be around visiting this summer!

## Colchester

Lion Mindy Zhang of Colchester attended a District Meeting in North Carolina and had the honor of meeting International President Dr. Yamada.

Mindy said: “Dr. Yamada, the first neurosurgeon in Japan and the current president of Lion’s club is at the district meeting in NC this weekend. He was truly pleasant (and surprisingly young). He talked about how leadership in Lion’s club is like migration of crane, crossing the Himalaya Mountains. They rotate leading position to fly in a “V” shape, the leader crane works the hardest to withstand the harshest conditions, and when it gets tired, another crane takes over. Team work will bring us greatest achievements.

He also shows appreciate toward other lions. He came over to our table to put a pin on me (his translator whispered “she really is tiny” in Japanese)...

If anyone decide to head to the meeting this year in Japan, he is ready to welcome everyone.”

## **A note from the Editor:**

Please follow these simple steps to ensure that your information will be properly included in the Communiqué.

**1st:** When sending correspondence to be included in the Communiqué, please put '**For Communiqué**' in the subject line of the email. Emails to [communiqué@d45lions.com](mailto:communiqué@d45lions.com) are received by several Lions and we need to be sure that it is directed properly.

**2nd:** A quick Marketing 101 reminder: Be sure to include the 5 W's. Who? What? When? Where? Why? and How? when sending information for inclusion in the Communiqué.

**For example (and a shameless plug!):** (Who)The Manchester Lions Club will be hosting (What) the Maple Leaf Half Marathon, a Top Ten Fall Event, on (When) Saturday September 12, 2015. (Where)The event begins at ends at the Dana L. Thompson Memorial Park, 340 Rec Park Road, Manchester, Vermont. (Why)Monies raised from the event are donated back to the community in the form of scholarships and donations. (How) For more information or to register please visit our website at <http://034f962.netsolhost.com/mapleleaf/>

**3rd:** Start advertising your event months in advance. Don't wait until the September Communiqué to promote a September event. Send the information as early as possible. I'll get it on the calendar and begin promoting it for you.

**Lastly:** Please submit items in one of the following formats: PDF, Word, or JPEG. Requests written into the body of an email require additional formatting in InDesign (the Adobe program being used to create the Communiqué each month). Please help me get the Communiqué posted on time each month by submitting items early and in the proper format.

**All information/photos MUST be received by the 20th of each month.**
