Lions Hello

We are approaching exciting times.

The month of May will start with [Green Up Day](#); we will be having our Lions Day in Service on Saturday, May 7. I am looking forward to your projects that are reported along with pictures and post on Facebook.

I am happy to say that District 45 is strong and growing. Thank you to those of you who have invited and brought in new members. I would also like to thank those Lions who helped retain members. I appreciate everyone for getting their dues/bills to LCI current. Also, a reminder to club secretaries, please submit your PU101 to LCI no later than May 15, 2022. If there are no changes to your club officers, please make sure information is accurate.

Despite the pandemic, our Clubs have continued doing service projects. Thank you to all who have stepped up into leadership roles. Most of all, thanks to ALL that have helped keep us together as a District. Your Leadership Team has been meeting monthly and I know the Zone Chairs have also been meeting with clubs. I am sure these will continue with next year's District Governors Team.

I look forward to seeing you at Spring Convention, May 13-15 at Fireside Inn & Suites, West Lebanon, NH. If you are attending for the day only/meal reservations are due to CS Kendal Holden, no later than May 6, 2022. For room reservations, please contact Fireside Inn & Suites directly at 603.298.5900 to check on availability.

Best, DG Carol

Brandon Johnson from LaFollette, Tennessee was elected to serve as Council Chairperson by the MD 12 Council of Governors in 2019. He is proud to be the youngest Council Chairperson and District Governor to ever serve Lions Clubs International.

Past Council Chair Johnson is involved in management of several family businesses. He received two bachelor's degrees and his Master of Business Administration (M.B.A.) Degree from East Tennessee State University.

In addition to his Lions activities, Past Council Chair Johnson is active in several professional & community organizations, including multiple Freemason organizations, the Rotary Club, and the Sigma Chi Fraternity.

Johnson was one of only three Lions to ever be appointed by Tennessee's Governor to serve as a Commissioner on Volunteerism and Service.

## Vision Screening Report

June 2022

The school year is winding down. Teachers have their hands full with keeping children's attention inside the classroom and not on the windows with their inviting outside activities. Lions are preparing for Spring Convention and clubs are preparing for a new slate of officers. Vision Screening too is wrapping up for another year. Even as I write, clubs are still doing their best to screen those last straggling students who were absent on screening day, or that stray classroom that was down due to Covid. Again, my hat is off to the nurses, teachers AND Lions who did their best to see that our kids got screened regardless of all the hurdles they had placed before them.

So far I've had **12** clubs report with a total to date of **12850** students screened with **1453** referrals. That's an **increase** of **3436** more screenings over the 9414 of last year! I am so pleased to make this report. The Lions of District 45 have overcome obstacles using their ingenuity and persistence to produce such an impressive result.

Next year I hope to visit clubs and attend more screenings district wide. I'd like to see more clubs use thumb drives (or whatever you choose to call those ingenious little plug-in wonders). For those who have used them or plan to use them in future, please feel free to let me know your experiences, both good and bad so we can find ways to make them successful for all clubs.

Again I would like to thank VLC for allowing me the opportunity of working on such an important project for District 45. It has been my honor.

Enjoy the beautiful weather on it's way everyone!

Respectfully,

Lion Deb Savery

Dear Campaign 100 & LCIF Coordinators,

I am personally inviting you to join me in supporting the LCIF Campaign 100 Tell-A-Thon that is being held Sunday, June 5th from 10 am - 2 pm CDT (Chicago).

This event is being organized by Lions Virtual, in partnership with Lions Clubs International Foundation and Lion volunteers from across the globe. The Tell-A-Thon is designed to tell the Lions' story while raising funds for our Foundation. Along with sharing our story, the program includes music, entertainment and special surprise celebrity cameos from Grammy Award winning artists, Emmy Award winning actors and a Super Bowl MVP!

As we reach the end of Campaign 100, the Tell-A-Thon offers an opportunity for one final push to get every Lion to support the life-changing work that LCIF funds. To this end, I am asking you to do five things:

1. Register for the Tell-A-Thon @ [tellathon.org](http://tellathon.org)
2. Encourage every Lion in your area to register for the Tell-A-Thon @ [tellathon.org](http://tellathon.org)
3. Donate \$20 or more to LCIF through the Tell-A-Thon @ [lionsclubs.org/givetoday](http://lionsclubs.org/givetoday)
4. Share the attached Tell-A-Thon article &/or ad with:
  - every Lion in your District
  - your District and Multiple District publications
5. Visit Lions Virtual on Facebook
  - share Tell-A-Thon posts across your personal, District & Multiple District social media accounts

Our Foundation is near and dear to all of us and this is the perfect opportunity for us to showcase all the amazing service projects that LCIF funds across that globe. Feel free to reach out to our Tell-A-Thon Executive Producers Jodi Burmester & Daniel Marney Elkins @ [lionsvirtual@gmail.com](mailto:lionsvirtual@gmail.com) if you have questions or need further information.

I will be emceeing this event and know it is one that you won't want to miss! Whether you drop in for a few minutes or watch the entire show, it will be time well-spent.

With deep appreciation,

Brian E. Sheehan, Lions Clubs International 1st Vice President

# TALES OF THE SERVICE TRAIL UPDATE

## April 2022

Before my normal discussion, I again ask all of us to pray for all Ukraine, Pray that the leaders come to their senses at some point and stop this destruction and killing. There are now 4 million refugees who have fled the country, and another 10-12 million are displaced from their homes. This is now the largest refugee crisis since WWII, when it was the Russians being forced to flow by Hitler's forces. LCIF's "Refugee and Displaced Persons" fund has provided relief services in at least eight Eastern European countries. PLEASE - donate what you can to this LCIF project. This is OUR Foundation working for humanity once again.

To the normal update:

Winter seems to be segueing into spring, albeit slowly some days. The sap is running, and the sugar house is producing Maine gold again. Our Lions travel team is fabulous and even if we have not made every mid-winter conference and convention in a timely manner! Some flights just seem to take a little longer. That 4pm, 5pm and 7pm dinner in Bay City saw the airlines get us there at 1:30 a.m. Thank God for a patient driver. But those Michigan Lions put on the welcome wagon for Saturday and Sunday as though we had not missed a thing.

That trip was bracketed by a wonderful event in Cambridge, MD, with no flight issue (Bangor to Philadelphia direct does prevent some chances of delays!) Great PID hosts to ferry us the 2 hours to the Eastern shore for a leadership dinner Friday and a LARGE gathering Saturday night. Of course, for Saturday we brought them a "touch of snow" so they could feel at home with Karol and I. Sunday brought the MD/DE/DC council meeting which is always a good, informative session for the Lion status of the entire region of the country.

And then we flew to Superior, WI, across the bay from Duluth, MN. Flight out was uneventful, but getting home was that oft-delayed flight from LaGuardia back to Bangor - and it was. (However, Delta had a sense of humor - received their text that "Your flight is no longer delayed as long as it was.") The temps barely rose above freezing as we looked over the shoreline at Lake Superior watching the sunrise. The cold did not stop a large red fox from trotting by our window. Saturday morning. And it did not stop a great gathering of Lions, including most of the WI council of governors. That group was unafraid to share thoughts and concerns, but that is a major reason why we travel to the Lions on the ground. Lots of business, including fun constitution and by-law changes. They even gained a new 1VDGE properly by Sunday, a feat given a resignation delivered Friday by the 2VDG. And to defy the cold, the theme at the indoor pool Friday night was Hawaiian luau.

The last couple of months, I closed each Tales with ten ideas for finding new members (totally stolen from other Lions). The response continues warming, so here are ten more ideas:

21. Distribute extra copies of Lion magazine with your contact in lobbies.
22. Hold high-profile meetings with local candidates and special speakers.
23. Hold a wine & cheese reception for potential new members.
24. Ask ZC, RC, GMT coordinator & DG Team for their help.
25. Have a Special Guest Day.
26. Send club members to a District membership seminar.
27. Make a prospective member feel important and wanted.
28. Honor outstanding community citizens.
29. Do not take age into consideration.
30. Make some meetings purely social.

Another ten next month!

Enjoy Lions! Please take care of your Lions and yourself, as well as your communities. May this pandemic wane away to nothingness.

I thank all of you again for this honor to serve Lions and the world. We promise that we will do our best to represent all Lions world-wide.

Lion John W. Youney,  
Intern Director 2021-2023,  
& Lion Karol Kish Youney
