A Message from District Governor Pam Nichols

HOLY COW!!!!

This year has flown by; I've had such a wonderful time learning all that I can in order to effectively lead D-45 for the next year.

In fact, when the July Communiqué hits the news stands I will still be in Hawaii, for more training.

I'd like to offer many thanks to PDG Ken for all the encouragement and helpful hints.

My year will be all about YOU finding the JOY in being a Lion. WE all work so hard at it, a lot of us spend a great deal of our time with our lion friends! But that's not what it's about, it's about the times when we create magic for others. When someone opens a fridge and there is food! That is Magic, when someone sees clearly because we gave them eyeglasses, that is Magic. That is pure Joy. I really want to bring all Lions in the district back to those moments; they are the moments that keep us working. When all we see is work and more work, I want you to remember the Magic, the JOY. Remember the little child who is not hungry, or is going to camp and feels that he or she is a part of a group for the first time, they are signing with everyone else and understanding... THAT IS MAGIC, THAT IS JOY.

Why don't we share the joy more? Why keep that feeling a secret? Spread the Joy and membership will grow. Don't we want everyone to feel the Joy? I challenge you to share the joy, share those moments that mean the most. And please, when the work seems overwhelming remember how wonderful it feels to give JOY.

I am looking forward to serving as your District Governor this year.

Please come to the 1st Cab meeting on Sat Aug. 15th, we are starting a Guiding Lions Course for our Zone chairs. If you are interested in Learning about Guiding Lions please RSVP to Me at vtlionpam@gmail.com so we have enough material for everyone.

SPREAD THE JOY AND I WILL SEE YOU ALL SOON!

Editor's Corner

A note from the Editor:

I want to thank you all for your patience as we transition to a new District Governor and a new Editor of the Communiqué. While we don't want to reinvent the wheel, there is always a learning curve associated with transition, which is why we are a few days late getting the July edition to press.

With that said, there are a few housekeeping items that I'd like take care of so that we are all on the same page.

1st: When sending correspondence to be included in the Communiqué, please put '**For Communiqué**' in the subject line of the email. Emails to communiqued45lions.com are received by several Lions and we need to be sure that it is directed properly.

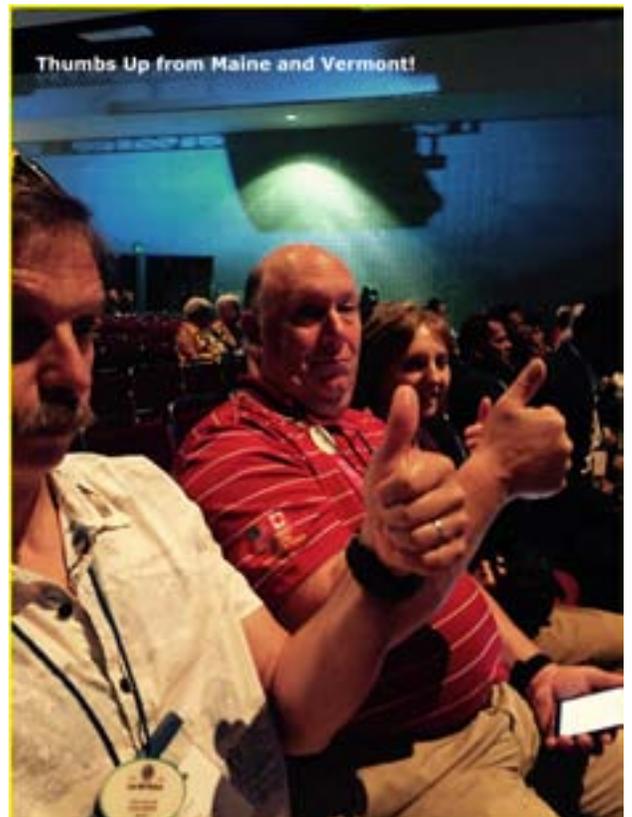

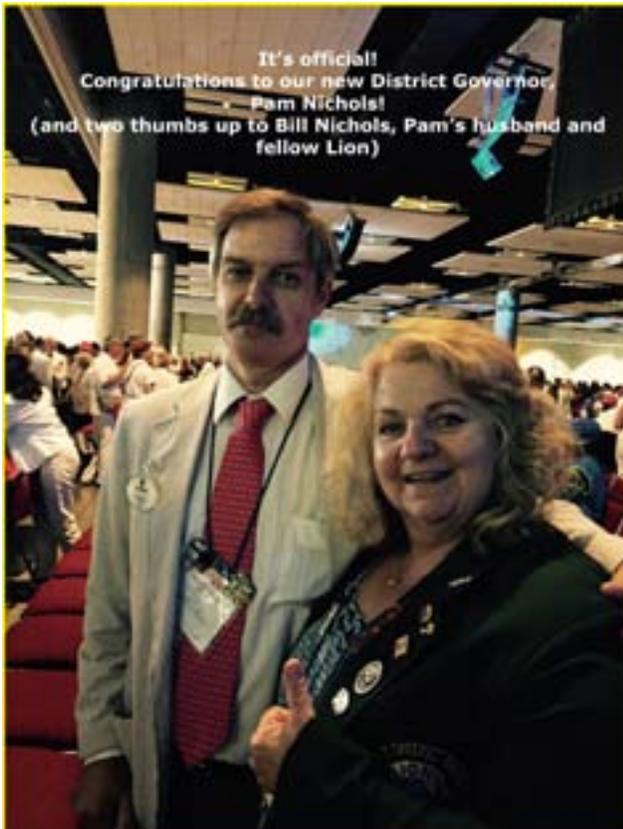

2nd: A quick Marketing 101 reminder: Be sure to include the 5 W's. Who? What? When? Where? Why? and How? when sending information for inclusion in the Communiqué.

For example (and a shameless plug!): (Who)The Manchester Lions Club will be hosting (What) the Maple Leaf Half Marathon, a Top Ten Fall Event, on (When) Saturday September 12, 2015. (Where)The event begins at ends at the Dana L. Thompson Memorial Park, 340 Rec Park Road, Manchester, Vermont. (Why)Monies raised from the event are donated back to the community in the form of scholarships and donations. (How) For more information or to register please visit our website at <http://034f962.netsolhost.com/mapleleaf/>

3rd and lastly: Start advertising your event months in advance. Don't wait until the September Communiqué to promote a September event. Send the information as early as possible. I'll get it on the calendar and begin promoting it for you.
